TO CORRECT INVENTORSHIP

SCOTT THOMAS GLENN

The identification of the inventors specified on the original Declaration for this application was incorrect. This misidentification of the inventors was made through error and without deceptive intent.

On January 4, 2006 a check of the status of this application on the PTO web site revealed that the patent had been granted as of December 27, 2005. A copy of the granted patent was sent to the listed inventor, Russell W. Teubner on January 4, 2006. Shortly thereafter, the listed inventor, Russell Teubner, advised us that the second inventor's name was not included on the Letters Patent. A check of the file history revealed that the second inventor was inadvertently omitted from the Declaration when it was prepared and filed. This Petition is being filed as soon as practicable after signature of all the required documents and issuance of the Letters Patent. Accordingly, this document is being timely filed under 37 CFR §§ 1.116 and 1.312.

Attached to this Request are the following documents as specified in 37 CFR § 1.324:

1. A signed statement from all of the inventors indicating that the error in the inventorship occurred without deceptive intention on their part;
2. A new Declaration signed by both inventors;
3. A copy of an Assignment signed by the second inventor and filed with the Assignment Branch concurrently with this Petition.
4. A Consent for Correction of Inventors, signed by Russell W. Teubner, Chief Executive Officer of Assignee, Hostbridge Technology, LLC;
5. Statement Under 37 CFR § 3.73(b), signed by signed by Russell W. Teubner, Chief Executive Officer of Assignee, Hostbridge Technology, LLC;
6. Power of Attorney and Correspondence Address Indication Form, signed by Russell W. Teubner, Chief Executive Officer of Assignee, Hostbridge Technology, LLC; and

Applicant hereby requests that the inventor list and order of the inventors be changed to reflect the inventors and their order as specified above.

In the event this petition is granted, Applicant further respectfully requests that a Certificate of Correction be issued for this patent.

Enclosed is the Petition Fee in the amount of \$130.00. It is believed that no additional fees are due. However, the Director is hereby authorized to deposit any overpayment and debit any further charges to Deposit Account Number 23-2426 of Winstead Sechrest & Minick P.C.
